

Anacapa Animal Hospital

AAHA-accredited veterinary hospital, with exceptional benefits, is seeking compassionate individuals to contribute to the quality of patient care at our hospital. We are seeking experienced Veterinary Technicians to work weekdays and weekends. Candidates for this position should be proficient in administering oral and injectable treatments, placing IV catheters, radiology, animal restraint, phlebotomy as well as basic animal care. RVT and anesthesia experience a plus. We train our staff to the highest level possible and offer a fun and positive working environment.

Full-time and part-time positions available

Requirements:

- previous experience a MUST
- compassion for animals
- dependable and punctual
- excellent communication skills
- able to handle a fast-paced environment
- ability to multi-task
- ability to work & learn quickly
- passion for learning
